Anna Szparaga
FRONT-END DEVELOPER

WORK EXPERIENCE

FRONT-END DEVELOPER
MonsterDream - Internship
april2019 - novmeber 2019

At MonsterDream I was creating user-friendly and responsive webpages. I was mostly working in HTML, CSS, Bootstrap and JavaScript.

PROJECT MANAGER, ADMINISTRATION
Cyklos AB
august2015 - novemeber 2018
• Managing product development process.
• Administration of purchase and delivery.
• Building relation with existing subcontractors and production.
• Establishing cooperation with new suppliers in China and Poland.
• Creating tools that organized data in: ongoing and planned purchases, orders in production, deliveries, inventory, pricing.
• BTB sales.
• Responding to customer complaints.
• Other administrative tasks that created efficiency and good work-flow in the office.

HOUSEKEEPING
Berns Hotel, Restaurang Assistans, ASJ Hemservice
During first 2 years after moving to Sweden I was working as a housekeeper in the above mentioned companies.
My job at that time was to make sure that our clients came back to a clean and fresh home or hotel room.
